Alchimie Forever Brightening Peel A potent blend of citric, lactic and glycolic acid helps to refine pores, tighten the skin and minimize acne. **800.558.5571, universalcompanies.com**

The image shows a packet of Alchimie Forever Brightening Peel and a tube of product. The packet is light blue and features the Alchimie Forever logo at the top. Below the logo, it reads "brightening peel" and "peeling lumière et éclat" in a serif font. It also lists the ingredients: "citric acid . lactic acid . glycolic acid" and "mandelic acid . salicylic acid . blueberries". At the bottom of the packet, it says "FOR PROFESSIONAL USE ONLY" and "Acids 13% . pH 1.8". The tube is white and has a black logo that says "STATION" with a stylized figure.
