DA GRAIN. DA GRAIN.

Remember "Fantasy Island" when Mr. Rourke's sidekick, Tattoo, would look skyward and shout "Da Grain, Da Grain"? Now, while you may have thought he was referencing a plane - truth is - the little guy was instead extolling the virtues of shaving with the grain of hair growth. For more on the benefits of shaving with da grain, Tattoo wants you to [click here](#).

ALWAYS WEAR PROTECTION

Did you know that doctors recommend wearing a sunscreen every damn day? Did you also know that 98% of doctors recommend getting this sunscreen from the Grooming Lounge*? Obey the doctor's orders and you'll save \$3 each on the sun protection prescriptions below:

Jack Black Sunguard

Anthony Logistics
 Moisturizer SPF 15

* Survey results could sway by up to 97%

INTRODUCING REALLY, REALLY EXPENSIVE SKIN CARE

Expensive and worth every penny -- Alchimie Men products are the result of 20+ years of laboratory and clinical experience treating skin and researching the aging process. The line is the creation of the Polla family, European leaders in the field of male cosmetic surgery and anti-aging.

Diode 1 + 2
 Age Defying Serums

Nd:YAG
 Rejuvenates Skin

KTP
 The Ultra Moisturizer

MONTHLY SUGGESTION

Only a few men have the ability to look good while wearing penny loafers (or other dress shoes) with shorts. If it works for you though... congrats!
