

Revive and moisture dry skin

Endless baking in the sun can dehydrate clients' skin. The **Kantic mask** from **Alchimie Forever** is designed to soothe, protect and brighten dull skin. According to the company, the mask contains blueberries—which help quell redness, speed up the recovery of dry skin and calm irritation—and grape and wild pansy extracts help fight free radicals and repair previous skin damage. The

product is designed for men and women, and the company says it can reduce the appearance of redness, fine lines and wrinkles. For more information, call
