

# PULSE

AUGUST 2005

WWW.EXPERIENCEISPA.COM

I have attended it twice, in 2002 and 2004, and loved it both times. So much so that I will have a booth at this year's meeting. It is the best place to meet everyone who is anyone in the spa (whether day, resort or hotel) industry. The booths are of high caliber, as are the talks, and the networking is invaluable. The best trade conference I have ever attended.
