BEAUTY AND THE BEACH

Lying on the beach is oh so much nicer when you look gorgeous! This weekend, grab your Cath Kidston Vintage Posy Large Straw Basket (\$85) and fill it with luscious products such as the Natura Bissé Special FX line (starting at \$44) and M.A.C. Tinted Lip Conditioner SPF 15 (\$14) and you'll be the most fabulous Hamptonite on Main Beach—besides us, of course. *by Juliet Gray*
