Blueberries, wild pansies,
oats, grapes, vitamin E
100 mL / 3.3 Fl. Oz.

Mask O' the Month

New to these pages is the **ALCHIMIE FOREVER** line. Developed in Geneva, Switzerland it is the result of 20 years of laboratory and clinical testing. It is based on a combination of powerful natural antioxidants including green tea, grape seed, blueberry and rosemary among others. There are currently 10 products in the line and this month's recommendation is their creamy **Kentic Mask Rejuvenating Moisture Mask** (\$60/3.3oz) which contains blueberries, wild pansies, oats, grapes, and vitamin E. The natural anti-oxidants, blueberries and grape seeds, help fight free radicals, while the other ingredients of wild pansy extract, oats and vitamin E soothe, protect, and brighten up dull skin. Every product in the line is hypoallergenic and, of course, never tested on animals. Check out more of their products at alchimieforever.com.
