Alchimie Forever Diode 1 + Diode 2 Age Defying Serums for Men

Although guys try not to let on, we know we aren't the only ones who care about maintaining our looks. Now Alchimie Forever has produced a line skin care for men that goes beyond moisturizers and shaving creams. Made with natural antioxidants made from rosemary and green tea, these two serums "smooth, tone, energize and brighten" skin. Our tester thought his skin felt firmer after a few weeks use.
