(homespa) TRENDS FROM HEAD TO TOE

We've sometimes heard it said that conversion can be the key to joy. In our case, we mean converting your bathroom (boring) into a home spa (wowza)! It's a trend worth indulging in, and your pampered body will thank you for it.

BY DANIEL LEE

Make a buttery lather and gently exfoliate your body. **Natural Sea Sponge**, \$30, by **Water L'air**.
