The Non-Invasive Future Of Skincare

Age Management
A New Preventive-Medicine
Program For The Spa

Alchimie Forever

With **Kantic Mask**, a new rejuvenating moisture mask, blueberries, grapes, wild pansies, oats and vitamin E combine to create an ultra-calm-
ing mask packed with antioxidants.

Blueberries help to quell redness, speed the recovery of dry, distressed skin and calm irritation, while grape and wild pansy extracts fight free radicals and repair the look of past skin damage.
