3. Blush Mosaic by Lynelle

Don't let the cooler weather kill your summer glow. But rather than hit the tanning bed, give your skin a break and fake it with these gorgeous colors, suitable for fair to medium skin tones. (\$16) Available at Lynelle, 1101 Vermont Avenue 202-789-4222

4. Kantic+

Beauty alert! Cooler weather will dry out your skin. Kantic+ luxuriously nourishing cream is packed with emollients to nourish your skin and infuse it with moisture, protecting it from the elements. Available at www.alchimie-forever.com 703.920.6800

5. Alexandrite

It's not because summer is over and turtlenecks are arriving that you should forget about your neck and décolleté. Treat this delicate area with the rejuvenating and tightening Alexandrite gel. Available at www.alchimie-forever.com 703.920.6800

6. Diode 1+2

Brighten your skin and fight free radicals with this one-two punch of antioxidants. The powerful green tea and rosemary combination renews and energizes the skin while minimizing the signs of stress and fatigue. Available at www.alchimie-forever.com 703.920.6800
