Alchimie Forever
NEW!!! Excimer purifying facial cleanser from Alchimie Forever is perfect for everyday use. This gentle cleanser rapidly dissolves makeup and dirt from the skin's surface while removing impurities from the pores of your skin, but does not deplete the skin's moisture content. Natural extracts of papaya gently exfoliate to leave the skin smooth and radiant, while cucumber soothes the skin and grapefruit rejuvenates. This light, soothing formula helps to preserve your skin's natural pH balance, leaving you with cleaner, softer skin. Ideal for men and women, and for all skin types. For more information, please call 703-920-6800, or visit www.alchimie-forever.com.
