THE MODERN SPIRIT OF **PROFESSIONAL SKIN CARE**
MARCH/APRIL 2006

the future of medspa
post-procedure protocols
the chemistry of anti-aging
stone massage strategies
becoming your own boss
medspa equipment guide

cool en stsnvujer
Soothe the skin and reduce
inflammation after laser hair
removal, waxing or sun burn
with Afterlase Soothing Milk.
Made with mint extract to
relieve itchiness, rosemary to
reduce redness and green tea
to repair UV-induced skin
damage. From Alchimie Forever.
