SKIN CARE

ALCHIMIE FOREVER WINTERIZED

Treat winter skin with an assortment of products from the locally-based Alchimie Forever brand. Its anti-aging skin care line includes Diode 1+2 Age Defying Serums, which are ideal for fading brown spots; Kantic+ which is blended for dehydrated, stressed-out winter skin; Afterlase Soothing Milk, which cools and relieves itchiness caused by cool temperatures; and Nd:YAG Antioxidant After-shave Gel for men. www.alchimie-forever.com

The image displays a collection of Alchimie Forever skin care products. On the left, there are two small bottles of Diode 1 and Diode 2 serums. In the center, a large white tube of Afterlase Soothing Milk stands next to a box labeled 'Diode 1 + Diode 2'. To the right, there is a white jar of Nd:YAG Antioxidant After-shave Gel. The background is a light, textured surface.
