LNE—the magazine for skin care and spa professionals November 2006 \$7.50

Berry-inspired skin saver

Blueberries have been touted as an antioxidant-packed fruit that has great health benefits.

Alchimie Forever harvests blueberries' benefits in its **Kantic Mask with Blueberries**. The "creamy, soothing" mask is packed with antioxidants and oat extracts to soothe, protect and brighten dull skin. The blueberries are said to quell redness,

and oat and wild pansies speed the recovery of dry, distressed skin. For more information, call (703) 920-6800 or visit www.alchimie-forever.com.
