### Alchimie Forever LLC

Alchimie Forever products, created by Drs. Luigi and Barbara Polla in Geneva, Switzerland, blend the best of science and nature. Based on combinations of powerful antioxidants, Alchimie Forever products repair and prevent signs of skin aging. Our flagship product, the Alexandrite rejuvenating and illuminating gel for neck and décolleté, combines photoprotective green tea with anti-inflammatory rosemary. This gel is the ideal complement to any sunscreen to best protect your skin from UV-damage.

#### Highlights

- 100% made in Switzerland
- Formulated by two medical doctors
- Combination of research and phytotherapy
