

Superpulse Rejuvenating Eye Cream

Jojoba, blueberries, alfalfa, grape seeds, cocoa butter

Developed specifically for the eye area, this lightweight balm instantly penetrates to restore youthful vitality to this delicate area while protecting it against the effects of environmental stress.

Jojoba seed oil and cocoa butter add a boost of much-needed moisture, increasing firmness and elasticity. Antioxidants derived from grape seeds and blueberries, and the vitamin K contained in alfalfa, combine to reduce the appearance of fine lines and dark circles.

Directions: Apply morning and evening with fingertips to eye contour area by patting gently. Dab into deeper wrinkles for best results. For external use only.
