The celebrated creation of the Suisse Family Polla, the Alchimie Forever skin care line is the product of Dr. Luigi Polla, a dermatologist and European leader in the field of cosmetic laser therapy and an expert on skin aging. Dr. Barbara Polla, a leader in biomedical research on antioxidants and stress proteins, is a specialist in cellular aging. Together In 1997, they opened Forever Laser Institute in Geneva, Switzerland, the first fully-integrated European medical spa, dedicated to the beauty, health, and well-being of the face and body. In 2000, to advance and extend the healing and preventive benefits achieved at Forever Laser Institut, they launched the Alchimie Forever product line for daily use - the rest is history.

Excimer: Purifying facial cleanser contains papaya, cucumber, grapefruit. Perfect for everyday use dissolves makeup and dirt from the skin's surface, removes deeper impurities from the pores. Natural extracts of papaya exfoliate; cucumber softens and grapefruit refreshes. This formula helps preserve the skin's natural pH balance, leaving it cleaner, softer and healthier. \$39.00

Erbium: Antioxidants for your body. Contains rosemary, green tea, red clover, jojoba. Lightweight, rapidly-penetrating,

fortified with jojoba seed oil, moisturizes the skin without leaving a trace. Antioxidants from rosemary and green tea protect the skin from the harmful effects of free radicals, red clover restores the skin's elasticity and resilience by stimulating natural collagen production. \$49.00

Kantic Lights Off: This best seller contains Blueberries, Jojoba, Grape Seeds, and Vitamin E which increase the effects of essential beauty sleep with this mid-weight night cream that nourishes, renews, brightens, leaving skin soft and silky.

Packed with antioxidants derived this active cream revives tired, dehydrated skin and helps minimize the signs of stress and fatigue. Use daily to soften appearance of fine lines, redness, and to leave skin soft and radiant. \$69.00.
