

**Chill Out: Changes in temperature can cause skin to become dry and flaky, but we found 10 fabulous products that improve hydration and skin tone.**

**7** **ALCHIMIE FOREVER KANTIC MASK** is a luscious, creamy moisture mask packed with natural botanicals that calm, protect and alleviate redness. Oats, known for their softening properties, are combined with wild pansies to speed the recovery of distressed skin and reduce irritation. Antioxidants from grape extracts protect the skin from environmental stress, while blueberries

**50 American Salon** December 2009

help to rejuvenate and quell redness. Created at Forever Laser Institut in Switzerland by Dr. Luigi Polla, a dermatologist, and Dr. Barbara Polla, a leader in biomedical research on antioxidants and stress proteins, Alchimie Forever utilizes nature's most powerful extracts to preserve skin's youthfulness. The company is a member of SwissCos, a nonprofit organization that regulates the use of the "made in Switzerland" label in the realm of cosmetics and skincare. Membership is conditional upon proof of Swiss manufacture. [alchimie-forever.com](http://alchimie-forever.com)
