## BE GENTLE

Alchimie Forever always puts your face first, which is why the Washington-based company has launched its latest product, Excimer gentle cream cleanser (\$39). Made with rose, mallow, cucumber and the line's signature ingredient, blueberry extract, the cleanser removes dirt while gently hydrating and nourishing skin. Alchimie Forever's Dr. Barbara Polla calls it a "vitamin cocktail for the skin" that gives an instant boost to the complexion. [alchimie-forever.com](http://alchimie-forever.com)
