

## Pictures: What's in Hilary Phelps' bag?

Hilary Phelps has done her fair share of trekking across the globe in support of her younger brother, Michael. Over the years, she's mastered the art of packing for maximum impact. "I tend to wear colors that mix and match well," she explains. "Accessories like big necklaces are key." As she prepared for her Olympics-bound voyage to fashionable London, the founder of the lifestyles website Genuine Joy shared some of the go-to items she planned to squeeze into her two Tommy Bahama suitcases for her 11-day trip.
